

Futures Thinking

Futures Thinking

L/O: Learning how today's choices
shape tomorrow

What is the Future?

- The future is what has not happened yet.
- We can help shape it with our actions.

Then → Now → Next

- Think of one thing from the past
- One thing today,
- One idea for the future.

Wales and Lesotho

- Think of one thing from the past
- One thing today
- One idea for the future.

Wales and Lesotho

- Two different places.
- Many shared values:

community, culture, belonging, hope.

Climate and Change

- Weather, water, and land can change.
- These changes affect families and communities.

Children's Rights

All children deserve food, safety, health, and education

Voices Matter

- Young people can share ideas,
- Care for the Earth,
- Help their communities.

Future Vision Detective

Look for:

- a hope for 40 years
- a hope for 200 years
- an important value

Create the Future

- Draw or write one hope for the future.
- What should people do now to help?

My Promise

- One action I will take to help people
- and the planet is...
